OSCAR WANGA

WEB DEVELOPER

EDUCATION

Moi University

September 2012 – October 2017

I graduated with a second-class Honors in Chemical and Process Engineering

WORK EXPERIENCE

Giftwrap - Frontend Developer

March 2022 – February 2023

As a former Frontend Developer at Giftwrap, I was responsible for creating exceptional user experiences using React.js and UI frameworks. I collaborated closely with design and product teams, transforming wireframes into fully functional web applications. Leveraging React.js, I developed efficient and scalable frontend solutions, staying updated with emerging technologies for outstanding web experiences.

Crayven Estates - Web Developer

June 2020 – February 2022

In my role as a web developer at Crayven Estates, I shaped the company's online presence in the real estate industry. I designed, developed, and maintained the website and web applications, collaborating with marketing and design teams to showcase properties effectively. I optimized performance, implemented SEO strategies, and ensured uninterrupted access for seamless real estate transactions.
